

After months of exploring many options to improve our Food & Beverage operation, we are pleased to announce that the club has entered into a 3rd party agreement with Randy Stolz for the 2022 season.

Randy brings a wealth of restaurant & golf course experience to SGCC. His Okanagan based Hospitality company specializes in F&B services. They have supplied F&B services to Nk'Mip Canyon GC for the past 4 years and their newest venture in Summerland (Giant's Head Brewing) has been a great addition to our community.

We are excited to partner with Randy & his team. Together with Giant's Head Brewing's Executive Chef & Brewmaster, Eric Hansen, along with a TBD on-site chef at SGCC, we are confident that we will be able to provide exceptional products & service to our members & guests.

Please join us in welcoming Randy & his team to the club!
